Greetings! We have scheduled the 2027 Brethren Disaster Ministries weeks for Northern Ohio. Seven volunteers are needed for each week which is one half of the group of volunteers. As a reminder, the cost of travel, food and housing is covered for the entire week. Also, keep in mind that all skill levels are needed and welcomed. The leaders at the site are very encouraging and are good teachers.

The weeks for 2027 are February 21-27 (North Carolina) , May 16-22 and August 29-September 4 (location has not been decided yet, but it seems it will be a doable days drive).
If you would like more information, please feel free to contact one of us or go to the Brethren Disaster Ministries website for information and videos.

There has been a cancellation at the N. Carolina site for December 6-12 and 13-19 for this year. If you would like to volunteer, please contact us and we can give you the details.

There are many ways to help with this ministry. We would appreciate your prayers, your time, your willingness to get the word out about the weeks we have planned, your encouragement to the volunteers and even your willingness to house sit, collect the mail or pet sit so that someone might volunteer.

Thank you for your interest in Northern Ohio's participation in this ministry.

Blessings, the District Disaster Ministries team - Sandy Humphrey 330-603-9073, Kim Morckel 330-618-2379, Pete Snyder 419-685-0903
