

To All Artists and Crafts People

We're Trying Something Different!

Since this year's District Conference is a Delegates Only event, we are not having the Silent Peace Auction as usual.

We are having an On-line Auction for Peace this year!

We Are Asking YOU

to donate handmade art and craft items for this charity auction.

All the proceeds will go to the Northern Ohio District Peace Endowment.

Donate by submitting:

- a description (including size, type of material, etc. as appropriate)
- a photograph of the item (digital photographs are preferred)
- an estimate of the item's value (note what a minimum starting bid should be)
- the name of the person or congregation making the donation
- the donator's contact information (address, phone number, & email address)

**Please submit your items for the auction to: Linda Fry,
linda@nohcob.org by July 26th**

The on-line bidding site will be launched at the District Delegate Conference, August 14th. Bidding will be possible on-line until August 29th.

The District Peace Task Team will work with those who donate items and those who submit the highest bids to get the items to their new homes.

(The pictured items were donated for past Silent Peace Auctions at District Conference.)
