

You **can Make a** **World of Difference** **By Sending** **Hygiene Kits** **To People In Need** **through Church World Service**

When disasters happen anywhere in the world.

Health kits can help people stay clean and healthy. That can save lives!

Each Hygiene Kit Included:

- 1 hand towel (approx. 15 x 28 to 16 x 32 inches)
- 1 washcloth
- 1 wide-tooth comb (at least 6" of teeth)
- 1 finger nail *or* toe nail clipper (out of packaging)
- 1 bar of soap (bath size in wrapper)
- 1 toothbrush (in original package)
- 10 standard size Band-aids

We are not to include toothpaste in kits. It will be added to kits at New Windsor when kits are sent out so the toothpaste is fresh.

To complete a Kit:

- ✓ Seal all items in a one-gallon plastic bag with a zipper closure.
- ✓ Send \$2.00 with each kit to cover processing and shipping. (*Do Not put the money in the kit.*)

If you prefer:

a donation of \$15.00 will allow Church World Service to provide a Health Kit.

The ability to wash, brush teeth, or cover a cut can make the difference between getting sick and staying well when you are living in the aftermath of a hurricane, tornado, flood or other disaster.

Bring Completed Hygiene Kits to District Conference.
