

“Be joyful always, pray continually” 1 Thessalonians 5:16-17.

This was the scripture verse chosen long ago to represent our summer 2020 theme “Shout To The Lord!” We had no idea when we chose our theme last fall that we would be experiencing this period of deep uncertainty and tragedy in the life of our country. It is during times of struggle and sadness that we can look for guidance, comfort, hope, and healing at the feet of Christ through prayer; this is what our summer camp theme is all about.

The camp staff and administration have spent much time making decisions about the summer camp program this year and we have finally reached a conclusion. Due to the Covid-19 pandemic, we are unable to guarantee a safe and healthy onsite, overnight camp experience for our campers this summer. While we are all deeply saddened by this reality, extraordinary times call for extraordinary measures and we are determined to make this summer awesome anyway!

We cannot imagine going a full summer without seeing you and we believe a virtual program, while non-traditional, is the best option to safely interact with everyone during this pandemic. With that, **“Connect with Camp”** (a virtual platform) will replace our onsite program this year. We know it can’t truly replace the camp experience, but it gives us a chance to connect and engage with each other.

What will virtual camp look like? The camps that we offer throughout the summer will now be offered online. During each scheduled week, campers will access a link (provided when your registration is received) and experience Inspiration Hills in a whole new way! Nature hikes, visits with the animals in our Nature Center, Bible studies, campfires, singing, daily crafts, and tons of different segments hosted by camp staff will be a part of each day. We will also have surprise visits from camp counselors and Chaplains along with daily devotions from our Bible theme of the day. We’ll spend some time in the dining hall, cook over an open fire, delve into science and nature, and even spend some time camping in your own backyard!

This summer we will come together virtually to **“Shout to the Lord!”** and connect with God by sharing the deepest longings of our hearts in prayer. It doesn’t matter if we fold our hands and bow our heads, or raise them up and look to heaven; God desires to connect with all of us.

With your registration of \$50 per camp (to cover our costs) we will send you “Camp in a Box” which will include many of the items you’ll need to experience camp from your home, including craft supplies, a summer 2020 t-shirt, name tag and water bottle. We’ll even send a list of what parents can do to make this virtual camp an amazing experience for your campers!

This is not how we planned to **“Shout to the Lord”** this summer, but our staff is determined to make this summer camp meaningful and memorable. Please fill out and send in the registration on the back (via email or US mail) and we will be in contact with you!
