

Xenos

a ministry of the Church of the Brethren

*“For I was hungry and you gave me something to eat,
I was thirsty and you gave me something to drink,
I was a stranger and you invited me in, . . .*

*“Then the righteous will answer him,
‘Lord, when did we see you hungry and feed you,
or thirsty and give you something to drink? . . .’*

*“The King will reply, ‘Truly I tell you, whatever you did for one of the least of
these brothers and sisters of mine, you did for me.’”*

~Matthew 25: 35-40

We are Xenos

Intercultural Ministries of the Church of the Brethren has launched a new and exciting venture called the Xenos Project. The word Xenos is a Greek word meaning stranger or alien.

The purpose of Xenos is to build a community of congregations feeling called to speak up and take action supporting immigrants within our nation.

A website has been created where congregations who are involved and working on immigration can communicate with each other and with other congregations interested in becoming involved.

The Xenos website will be a place for a respectful, biblically centered conversation, building into a network of those concerned about our brothers and sisters in need—about immigration / family separations / refugee / asylum issues and justice.

You can learn more about the Xenos project by visiting the website:
