

We Pray This Day

Lord we pray this day:

- For those who are sick;
- for those who are alone;
- for those who are in pain;
- for those who have lost a loved one;
- for those without needed work;
- for those who are homeless;
- for those who will go to bed hungry today.
- for those who are feeling despair or hopelessness.

All of them need to know your love and feel your presence with them. Help us be the ones who reach out to them in your name so they know you are with them and will, find your peace!

This week, do not forget to pray for:

- **The COVID-19 pandemic** The U.S. continues to lead the world in the number of COVID-19 cases and deaths.
- **All places where anger & frustration** push people to violence or destruction
- **Those effected by gun violence.** Already This year, 3,015 have died in gun incidents. Of these, 1,716 were suicides. Also, 2,340 people have been injured in gun incidents. Of the dead, 97 were 17 or younger. 2,043 children, 17 or younger are among the injured. (Gun Violence Archive. <https://www.gunviolencearchile.org>)
- **The leaders of this & other nations** who have big issues to address for the good of all of us
- **Nigeria & other places** where violence, hunger, poverty, or all of these together are part of life
