

This Week's Prayer List

Pray for:

- **The number of COVID cases is climbing fast again. It is also hitting poor countries harder now.** Remember people who do not have access to medical care or vaccines. Remember those who are at risk because they have not been vaccinated.
- **Flooding in Europe & Asia– Germany, Belgium, the Netherlands, Switzerland, China & India.** Urban flooding in China trapped many people in subway tunnels. Flooding caused landslides in India.
- **Turkey – dealing with massive wildfire**
- **People in Lebanon;** the country is in chaos because of years of government corruption. Many people are now homeless refugees in their own country because they have lost everything.
- **Flooding in Colorado & fires in western states. This fire season is already unprecedented. Authorities have said only the coming of the rainy season will stop the largest of the fires.**
- **People dealing with excessive heat.** Animals are also suffering. Some shellfish are cooking in their shells on the beaches. . .
- **The people of Afghanistan –** as they face the task of self-government.
- **Places where political corruption & drastic economic inequality led to unrest & violence –** continue to remember South Africa & other countries around the world, from Colombia to Thailand where desperation is growing among the people.
- **People without the freedom to voice their views, raise issues or voice objections when they disagree with their leaders.** Pray too that people remember free speech is not a license to engage in hate speech that promotes discrimination or violence.
- **Continue to remember the people of Haiti** where people continue to struggle with poverty & government corruption.
- **Nigeria, Haiti & other countries where kidnapping for ransom** continues to be a daily threat.
