Meet the Moderator, Paul Munday Annual Conference Delegate Briefing

*Sunday, April 26, 2020 from 3 pm – 5 pm
Maple Grove CoB, Ashland, OH*

Mark your calendars for Sunday, April 26 from 3:00 – 5:00 pm. Paul Munday, Annual Conference Moderator, will hold our Annual Conference

Delegate Briefing at Maple Grove Church of the Brethren. This session is for Annual Conference delegates, pastors, and all who would like to know more of what will be happening at Annual Conference this year in Grand Rapids, Michigan on July 1st-5th. Come hear of the Compelling Vision process, the fellowship and learning opportunities, and Paul's vision for this Conference. Brother Paul will also be preaching at Maple Grove during the 10:30 am Sunday morning worship, and you are welcome to attend.

About Paul Munday

Paul Munday is a minister, consultant, and writer, with over 43 years of service for Christ and Christ's cause.

Paul provided leadership for our Pre-Conference workshop and spoke during Saturday's worship at the Northern Ohio District Conference in 2019. So many have already had an opportunity to meet him. We look forward to hosting him again in our district.

It is Paul's aspiration that the Church of the Brethren will claim God's adventurous future in Jesus. Little is gained by wallowing in division and despair. It is only as we stretch toward Christ's promise of redemption, healing, and vision, that we flourish, knowing abundant life; life in Jesus, full and free!

Men's Fellowship Gathering at Inspiration Hills Camp

November 2nd at Inspiration Hills Camp dawned crisp and perfect the way God does Fall colors and makes you say, "Aw look, God is so good!" Northern Ohio District men tried to take it all in when we got together at Maple Conference Center that morning. Our Fall Gathering was a time to praise and worship the Father with our brothers in Christ from "Touching Lives for Jesus Prison Ministry" and other friends who are sent to share the Good News.

God was glorified and discipleship renewed in song and testimonies. Men gave an account of how God's mighty hand has moved in their lives. We learned more of His Holy Spirit power within us. Praying together we asked the simple question, "What would you have us do Lord?"

The "Men's Fall Gathering" was both a time to encourage and be encouraged, a time to see the difference God makes when He invades our lives and goes with us on this incredible Journey. We're "Journeymen" sent to do whatever it takes to share His Good News with others. Praise be to God.

SISTERS Spring Retreat

May 1—2, Round Lake Christian Camp, Lakeville, Ohio

Mark your calendars for the SISTERS Spring Retreat. We are excited to welcome Christine Woolf as our speaker. Christine Woolf is an exhorter whose sense of humor and down-to-earth transparency allow her to connect with listeners everywhere. Her devoted study coupled with a sanctified imagination brings to life the very real people of Scripture. This helps provide a fresh perspective and greater understanding of God's Word. Christine is then passionate about linking these new insights to practical life application while empowering the listener to act on what they've learned. More information to follow on website www.nohcob.org/sisters.

Volunteer Help Wanted

The Connections Commission is seeking assistance in the area of 'communication' for missions. There are many organizations that we as individuals, churches and the District support such as Brethren Volunteer Service, Church World Service/CROP, Heifer Project International, SERRV, Brethren Service Center, Global Missions, and other Brotherhood ministries. We are seeking a "Mission's Advocate" to help keep us up to date. This volunteer would receive and read various newsletters/communications for mission projects and compose periodical articles for district publication to the churches with updates and event listings. They would also assist the Connections Commission with our District Conference display table. A love for God's people and missions, email access, and a little writing ability are all that's required! No regular meetings to attend, except hopefully participating with the Connections Commission display table at District Conference in the summer. If you are interested, please contact Bill Janet Burkey at billjanetburkey@yahoo.com.

Hottle Grant Recipients

County Line Church of the Brethren

County Line received a \$5,000 Hottle Grant to purchase a new Renkus-Heinz speaker for our sanctuary in May of 2019. We had some shipping issues, but finally received it in October. Several men from the church were able to run the cables and have it installed before the representatives came to "commission" it. Our first service using the new speaker was October 27.

Our sound techs chose this particular speaker because it would make the sound of voices much more clear. Their goal is for the sound quality of those speaking and preaching the Word of God to be the best it can be.

County Line CoB would like to thank the Northern Ohio District for its generosity in helping us in our ministry and mission...dedicated to Seeking God, Building Believers, and Restoring the Broken in Our Communities for the Kingdom of God as a Loving People.

Ashland First Church of the Brethren

In 2019, Ashland First Church of the Brethren received a Hottle grant of 5,000. This was the second grant awarded to our congregation. In 2018, monies were awarded to be used toward the installation of a new roof. This year, the monies helped us continue the revitalization of our exterior, going toward new windows. Our old windows (from the 1950's) were not energy efficient and were showing much wear. With the gifts we received from members, memorial funds, Peace Lutheran and Trinity Lutheran churches in Ashland, and the Hottle Grant Fund, we were able to start the process by installing 15 new windows in August of 2019 at a total cost of \$24,008. We are now encouraged to continue to raise additional funds to replace remaining windows in the future. Thank you, Northern Ohio District, for your assistance in this ongoing project.

District Conference 2020

August 14th & 15th, Akron Springfield Church of the Brethren

Plan now to attend your upcoming Northern Ohio Church of the Brethren District Conference on Friday and Saturday, August 14th & 15th at Akron Springfield CoB. Our theme this year is: **District Conference 2020: "Focusing on Jesus' Vision of His Church and for His Church"** based on **Matthew 16:18 & 28:18-20**. This theme is very timely due to our denomination's current pursuit of a compelling vision. The theme will keep us focused and centered on Jesus' biblical & authoritative Vision concerning His Church.

District Conference is a great time to get caught up with old friends and to make some new ones. District Conference is for all ages. There will be something good in store for all ages... adults, youth, and children! A block of rooms has been reserved at Comfort Inn & Suites of Hartville. 2020 Pre-Conference Workshops

Friday August 14th, 1:00 pm to 4:30 pm

This year's Pre-Conference Workshop time is planned for Friday, August 14th, from 1:00 pm to 4:30 pm at Akron Springfield CoB. We are providing two insightful workshops. Anyone is welcome to attend and participate in one or both workshops. Each one is worth .15 CEUs, for our ministers needing CEUs, for a total of .3 CEUs possible.

Rev. Tom Zuercher,
Ordained Minister

Our first 1 1/2 hour workshop presenter will be our very own respected Brother, **Rev. Tom Zuercher**. Tom will be seeking to speak to fellow-ministry comrades, by sharing helpful reflections, insights and wisdom in what he has learned over more than four decades of faithful ministry. This workshop is meant to have an interactive component to it, so that fellow-pastors can ask Tom questions and/or for ministerial advice. His workshop is titled **"Things I've learned, mistakes I've made, advice I'm willing to give."** Fellow pastors and ministers will greatly benefit from this special workshop on Friday afternoon, starting at 1 pm.

At 2:45 pm, our second 1 1/2 hour workshop will begin. The presenter will be **Rev. Jeff Bach**, a CoB Historian, Director of the Young Center for Anabaptist and Pietist Studies, Pastor & Associate Professor, Department of Religious Studies from Elizabethtown College. His workshop is titled **"20/20 Vision: Brethren and Christ's Vision for the Church."** During this workshop, Jeff says, "we will check our spiritual vision for the Church in 2020 to find out if we're seeing 20/20. Using the conference theme scriptures of the Great Commission (Mt. 28:16-20) and Mt. 16:18 to explore how various groups in the Brethren movement have understood Christ's vision of what the Church can be, and what Christ's programmatic vision for the Church can be. Come join the conversation about how Brethren throughout their history have understood and applied these and other scriptures for a faithful Church."

Historian/Professor

During the business session, non-delegates can meet in the sanctuary for a special repeat presentation of the Pre-Conference Workshop session titled "**20/20 Vision: Brethren and Christ's Vision for the Church**" with **Dr. Jeff Bach**.

His message is titled "**Focusing on Jesus' Vision for His Church**" based on **Matthew 28:18-20**. Tom will passionately bring home to us the true "Vision/Mission" that Jesus has for His Church!

Ordination / Commissioning Renewal Year

In the Church of the Brethren, every five years ministry credentials are reviewed and renewed. This process includes all ordained and commissioned clergy. Clergy are required to complete CEU's, attend Ministerial Ethics Training, and undergo a background check.

As part of this process, each congregation is asked to complete a "Congregational Support Form" to affirm ongoing support for the minister. The form is due by March 30, 2020. It will be sent to each Church Board Chair or you can access it at www.nohcob.org/renewal.

Hartville Church of the Brethren sells building, moves forward in ministry

Hartville Church of the Brethren Building

In their January 2020 Council meeting, the Hartville Church of the Brethren voted to sell their church building and property to Hartville Homes Foundation (dba GentleBrook).

GentleBrook is a not-for-profit organization that provides a variety of programs and services for individuals with developmental disabilities, seniors, and community members as a whole in both Stark and Coshocton counties in Ohio. In a new joint ministry with the Hartville Church, GentleBrook will use parts of the church building for these ministries on weekdays as the church expands their weekend services to better reach these individuals and their families.

As part of this unique agreement, the congregation will receive a down payment then monthly payments for 10 years. During those 10 years, they will have a rent-free lease for exclusive use of the sanctuary and offices and ability to use the rest of the building evenings and weekends when GentleBrook is not using the facility. Additionally, most utilities and building repair costs and improvements will be covered by GentleBrook during this time. At the end of the 10 years, they will have the opportunity to renew the lease.

The congregation has already begun to partner with GentleBrook on ministries, and plans are in place to deepen those ministry connections. Many in the congregation believed that an excessive amount of their financial resources went into the upkeep of the building and look forward to being able to invest in ministry to the community in new ways. Several area churches have expressed a desire to join with them in this new ministry. It's the congregation's hope that this unique ministry opportunity will help to spread the Gospel in ways that are often overlooked.
